

## 2019 FACT SHEET

### U.S. Army Tank Automotive Research, Development and Engineering Center (TARDEC) Summer Hire Program

The U.S. Army Tank Automotive Research, Development and Engineering Center TARDEC, ([www.army.mil/tardec](http://www.army.mil/tardec)) the Nation's laboratory for advanced military technology will infuse its ranks with new talent this May through the Summer Hire Program. TARDEC is seeking **undergraduate and graduate-level college students** interested in working on science and engineering programs like the development of hybrid-electric vehicles, fuel-efficient energy modules and advanced robotics. TARDEC's summer hires work closely alongside associates on cutting-edge research and development projects.

TARDEC Summer Hire Program mission is to expose students to the multiple engineering and technological possibilities that are critical to improve the effectiveness of our soldiers.

#### How to Apply:

The announcement will be posted on the following site 15-17 January 2019:

[WWW.USAJOBS.GOV](http://WWW.USAJOBS.GOV)

- Search for position titled Student Trainee (Engineering Technician), Series 0899, Pay Grade DB/01, location: Warren, MI, **Job Announcement Number: NCBV192936124197PI**
  - Students will be required to apply on-line and upload their resume and transcript into the USA Jobs website application. **IMPORTANT NOTE: Do NOT include social security number or photographs on any documents**
